

ANGEL

IN THE DARKNESS · A HALO · ABOVE YOU

The ANGEL candleholder with removable decoration is inspired by the luminous halo. Created as a playful and simple symbol of finding peace.

...The design stands as a sharp and meditative point of focus.

And when darkness falls, and the candle light burns down,
then you will (possibly) notice a halo on the ceiling...

PRODUCT DETAILS

DESCRIPTION

An Angel candleholder can be arranged with or without the accompanying decoration element.

The box contains a candleholder and a decoration element.

DESIGNED BY

Anja Krogh Sondrup with Steffensen & Würtz

MATERIAL

The candlestick is made from painted metal and comes in 3 different colours: black, blue or mother of pearl.

The decoration element comes in black painted, chrome-plated or brass-plated metal.

ENVIRONMENT

Indoor

CLEANING INSTRUCTIONS

Painted surface: Hand-wash in warm water with a soft cloth.

Metal surface: If needed, nickel and brass can be polished with a suitable polishing liquid. These are materials that will patinate over time by nature.

WARNING

Use only on a stable surface.

Never leave a lit candle unattended.

Do not light the candle if it has less than ½ inch / 2 cm stearin left.

As the wax becomes hot, do not touch or move a lit candle.

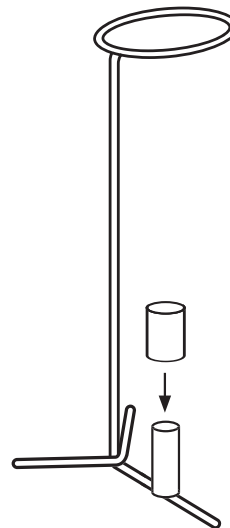

Never cover the halo of the candlestick or fasten anything to it.

Keep out of reach of children and animals.

Do not place the candle in a wind draught or on surfaces that are sensitive to stearin (such as wood, marble etc.).

Recommendation: Use non-drip candles of high quality.

INSTRUCTIONS

Use the candlestick with or without the decoration element.
